Welcome to week 3 of what is shaping as a very quick term. We hope that all of our mums had a lovely day on Sunday. At last Friday's Temora Sports Council Dinner, Ariah Park once again had its sporting prowess affirmed with 3 major awards going to Ariah Park students. Our 2013 PSSA Netball team took away the Junior Sports Team of the Year, Keisha McLean was awarded a $250 Rick Firman scholarship and Mitchell Maguire was acknowledged as the Intermediate Sportsperson of the Year. Congratulations to all of those students and their parents. We recognise that without the encouragement of mums and dads, and their physical and financial input, these stars wouldn’t be able to shine. We also thank Miss Daniher for her nomination of students this year.

P&C Meeting
Our next P&C meeting is on tomorrow night (Tuesday, 13th May at 7.30pm). We will discuss how everything went at this year’s very successful fete. The support of all parents and teachers for the fete was fantastic. I know it’s a busy time of year and I hope to see as many as we can at the meeting. Mick Denyer
I hope all you mums and grandmums had a lovely Mothers’ Day on Sunday and you all liked your gifts. The stall was a huge success, lots of happy, excited kids choosing gifts for their special mums. I’d like to thank Cynthia Ingram, Renae Golder, Rosemary Wood and Erin O’Hare for helping wrap all gifts. Thank you also too Cynthia Ingram, Leah Maxwell, Bec Baker, Rosemary Wood, Amie Fairman and Carol Heward for helping run the stall. I really appreciate the kind offers to help, it means a lot to me, as I know how busy we all are and without help the stall wouldn’t run. Huge thanks to Ellie Walker, Shelby Worland, Nancy French, Keisha McLean and Alyssa Denyer for helping write the tickets for the raffle and thanks as well to the teachers who let the girls out of class early.

I would like to thank Mr Dunn for getting some extra tables for us and Lorene for doing a great job putting all the information in the newsletter and on the app for the stall.

The winner of the raffle was Georgia McCormack – congratulations Georgia and I hope you liked your bonus gift Toni.

Nationally consistent collection of data on school students with disability – 2014
Our school is participating in the collection of nationally consistent data on school students with disability. We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability. The data collection will have no direct impact on your child and they will not be involved in any testing process.

The NSW Department of Education and Communities will provide data to the Australian Government from all NSW public schools in such a way that no individual student or school will be able to be identified. In this way, we will ensure the privacy and confidentiality of all students. All information is protected by privacy laws which regulate the collection, storage and disclosure of personal information. Information about the Australian Government’s Privacy Policy can be found here: http://education.gov.au/condensed-privacy-policy.

Information about the NSW Government’s privacy policies can be found here: http://www.ipc.nsw.gov.au/
If you do not want your child to be counted in the data collection you must complete the attached form and return it to the school before the end of Term 2, 2014. A decision to exclude your child will not affect the support they currently receive.

If you have any questions about your child being included in the data collection please contact the school. If you need help with English to make an enquiry contact the Telephone Interpreter Service on 131 450 and ask for an interpreter in your language. The operator will call the number you provide and get an interpreter on the line to assist you with your conversation. You will not be charged for this service.

Food Revolution Day

What is Food Revolution Day?

Food Revolution Day is a global day of action to keep cooking skills alive.
It’s about celebrating the importance of cooking good food from scratch and raising awareness of how it impacts our health and happiness – we believe that everyone should know about food and it starts with getting kids food smart, making cooking fun and inspiring a love of food that will last a lifetime. Food Revolution Day is a campaign by the Jamie Oliver Food Foundation in the UK and USA, and The Good Foundation in Australia. To date, 74 countries have taken part and over 900 ambassadors are championing our cause worldwide.

Who is taking part?
Food Revolution Day is open to anybody, whether you’re a school, organisation or individual.
Many activities are organised by supporters in their local area or voluntary Food Revolution ambassadors who champion food knowledge and cooking skills in their communities.

Why have a day of action?
Learning about food and how to cook from scratch is one of the most valuable skills a child can ever learn.
This knowledge used to be passed down from generation to generation, but now, with an overreliance on unhealthy convenience foods, millions of people lack the confidence and even the most basic skills to cook for themselves and their families. By educating children about food in a fun and engaging way, we’re equipping them and future generations with the skills they need to live healthier lives.

Jamie says!
"Cooking is, without a doubt, one of the most important skills a person can ever learn and share. Once someone has that knowledge, that's it - they're set for life."

Our school will be getting involved on Friday 16th May. All primary students will have the opportunity to watch Jamie Oliver in Action over the internet, and then prepare a Rainbow Salad Wrap.
Sessions will be as follows:
9.30am-10.10am Years 3/4
10.10am-10.40am – Years 5/6
10.46 am-11.06 am – Australia’s Biggest Morning Tea
11.10 am-12.00 pm - Years 1/2
12.00 pm- 12.50 pm - Kinder
All parents and community members are most welcome to attend the session with their children/grandchildren.

Also if anyone has some small jars with lids, if you could please drop them in at the school, it would be greatly appreciated.

Hints and Tips No. 7: Getting to school on time

It is essential to establish a regular routine each morning and arriving at school on time is an important part of your child’s morning routine.

It is important to be at school on time because:

- It sets up good habits for the future.
- It provides social benefits – good play time and discussion among friends.
- The school day usually begins with the teacher giving out information to students. Eg. Any changes to school routines, coming events etc.
- It is an opportunity for important teacher pupil interaction before school.
- There is plenty of time for ordering lunches if needed.

Junior Jets AAPM

This week saw us host the Griffith Swans Whites, a lovely cool day that saw the rain hold off just long enough to complete most of our games. This week a game of U9’s was introduced with some slight rule changes to accommodate the younger age group, bringing smiles to the players as well as the spectators, thank you to all who helped make this possible and we hope that it may also happen in later rounds this season.

Under 11s

Our boys tried hard all day but just couldn’t get over the line. Rafferty Edis battled hard to get a few kicks and the hard ball to win the Ardlethan Pharmacy socks. Harry Collis had a good game on the half forward line, starting to get back to his good form, after recovering from his pre-season broken leg to win the Landmark water bottle and Mirrool Hotel canteen award. Charlie McCormack had a good game in the ruck and around the ground to win the Landmark $10 award. Nate Doyle battled hard in the centre and finished with two out of the teams four goals. Brady Edis and Blair Mclean booted a goal each and Fraser Harper put in a great effort in the teams well contested game.

Final Score  Griffith Swans (Reds) 7 - 9 - 51  def Jets  4 - 6 - 30

An outstanding result with some fantastic performances by Mitch Doyle to win the coaches award, Jed Litchfield the Ariah Park Hardware $10 award and Ben Grinter won the Landmark water bottle/Mirrool Hotel canteen award. Nate Doyle who came up from the U11’s and filled in was the winner of the Ariah Park Bowling club Chinese restaurant award. We welcomed Lindsay Brown from West Wyalong who played a great game in the centre and backline to win the socks, we would love to have him back whenever he can fit it in between his other football commitments. Other players who were in our best were Max Harper, Nic Fairman and Joe Ryall. Goals kickers this week were Nic Fairman 4 , Max Harper 2, Sam Clemson and Mitch Doyle 1 each.

Final score Jets  8 - 12 - 60  def Griffith Swans (Whites) 4 - 6 - 30.

Also to kick majors this week, Chris Ryall and Max Harper with three each and singles to Matthew Prentice, Grant Kelly and Jeromy Lucas. A big thank you to all of the U13’s who backed up to play U15’s this week, because our win would not have been possible without you, they all contributed throughout the game which the coach was very thankful for.
