This week we celebrate public education and have an action packed week lined up. I would like to welcome everyone to come and take a look at our school during our Open Day on Wednesday. We will commence at 10.00am with our whole school assembly and continue with a number of activities through the day. The school will provide a free sausage sizzle for lunch. More details inside the newsletter.

I welcome parents to attend our information night for those students transitioning from year 10 into 11 on Tuesday at 6.30pm. The night will be held in the library and will cover information on patterns of study, course information and HSC requirements.

Beginning of week 6, Monday 18th August the primary start time will be moved forward to 9.00am. This will be introduced during a trial period for the remainder of term 3. Afternoon time will remain the same, ie at normal bus/home time. The school will evaluate the change at the end of term 3 as to continue as a permanent change. Hope to see you at Open Day.

Mr Dunn

The P&C would like to thank the parents who freely give up their time to help in the canteen each term. The money that is generated from the canteen is distributed by the P&C to the areas most needed throughout the school.

If anyone is able to do more than one turn each term Wendy would greatly appreciate the extra help. Many thanks

Help Needed - Temora Aviation Museum Catering

The P&C is looking for help for catering at the Temora Aviation fly-in this Saturday 2nd August. We are required to cook and serve food, we do not have to handle any money. The more helpers the better, as I'd like to be able to split helpers into 2 shifts so that you aren't committed for the whole time. We are required from 9.00 am till about 2.30
pm. Any help would be greatly appreciated: teachers, parents, grandparents, senior students. The P&C will be receiving $500 for the day which all goes to various things for school and the students. If you have any questions or are able to help please ring me?

**Parent / Teacher Interviews**
Thank you to all of those parents who attended the Parent / Teacher interviews held last Wednesday evening. These are always constructive conversations to have and strengthen our home / school partnerships so as to assist our children to achieve their best. For those parents who were unable to attend, appointments for interviews or phone conversations with your child's teachers can be made through the front office.
Mrs Drumore

**School Uniforms**
Some students have expressed some confusion about student uniform requirement and so we have printed a copy of the outline of uniform requirement for Junior/Middle School and Senior school uniform (see pages 6 and 7). Please note that "hoodies" are not part of the uniform, nor are leggings worn alone. If your child does not have an APCS jumper, there is assistance for needy students to procure one. On occasions where the correct uniform cannot be worn to school, a note explaining this is required for morning assembly. Being out of uniform without a note is treated as a disciplinary issue.
APCS Welfare team

**End of term Musical - The Right Prince**
A number of Secondary students have expressed enthusiasm for performing the lead roles in a musical to be held in the last week of this term. A letter has been sent home with them detailing the commitment that these roles entail. All APCS students will be involved with the production in some way. Further details will be given about costumes etc in coming weeks.
Mrs Drumore

**Inappropriate language**
Recently there has been an increase in the use of inappropriate language. Students and parents are reminded that the use of this language is inappropriate and will not be tolerated at APCS. Normal discipline policies will apply and will be enforced for such behaviour.
APCS Welfare team

**Absences**
Thank you to those parents who regularly alert the school to reasons for their children's absences. For most students, a phone call to the office, a note, an email, a text to the school's mobile 0488741329 or use of the absences feature of the Skoolbag App are all fine to explain an absence. Please include the child's name, the date of absence and the reason for the absence.

**Book Club**
Book Club orders close this Friday. Please return orders via the roll marking system. No late orders can be accepted as they are processed online.
Thank you.

Active After Schools
Due to Education Week being this week active after schools won’t start until next week and will be held on Tuesdays and Thursdays. We will be doing cricket this term and will be involved in a coaching clinic at the end of the term for those students who attend 5 or more sessions. There is an expression of interest at the back of the newsletter for those who haven’t filled this in. If you have any enquiries please don’t hesitate to contact me at the school.

Guide For Teachers : "Understanding Teens"

Learn How To: Reduce Student Disengagement, Lessen Class Room Conflict, Increase Student Motivation and Self Esteem and Empower Students To Become More Responsible

Greetings!

Nathan Hulls here - Teen Behaviour Expert...

I'm writing to let you know that I've just released a quick and simple guide for teachers and parents. In this guide I outline the '3 Universal Fears' the '3 Questions Asked of Adults By Teens' and the '6 Core Needs of Teens - For A Successful and Happy Life.'

http://www.nathanhulls.com/understanding-teens-download

The guide is designed to pull back the curtain on the enigma we call teenagers. It's written to give you understanding from a human behaviour perspective as well as the keys to know 'How to create classroom environments for teens to thrive.' It shows why so many teenagers suffer from bullying, depression, lack of motivation, low self esteem and failure to follow through, and contains many helpful tips and suggestions to help you equip them for success in life and school.

http://www.nathanhulls.com/understanding-teens-download

The guide reveals proven methods which allow you to stop the cycle of failure that sidetracks so many young people from being all that they can be. You'll discover how you can be a part of the solution to help students quickly develop the confidence, discipline and motivation they need to succeed. This guide will equip you with the insights into their world and give you real world tools to help them succeed. I wrote this guide as a resource for teachers and parents, and I want you to download it for FREE! All you need to do is jump onto my website and download your copy (email it to your teachers and print off as many copies as you want):

http://www.nathanhulls.com/understanding-teens-download

My mission is to engage, inspire and equip as many Australian teenagers to know themselves, be their best and make the world a better place - and I figure if I can empower adults who work with teens to do the same, then we can all empower teens together! Please dont hesitate to contact Kate, my booking manager, if you'd like me to come to your school to engage, inspire and equip the students in your community (bookings@nathanhulls.com)."

Results and Finals I formation
Fortunately the weather was beautiful for our Gala Day against Coleamabally.
The Under 11s started with a great 19-9 win. They finished the season on top of the ladder
and are playing lovely team netball. Well done girls. The $10 Ariah Park Bowling Club
award went to Laura Harper, the socks to Emma Morris who had a great game at shooter,
the Landmark Drink bottle to Abbey Doyle and the Canteen to Issie Gaynor.
The Under 13s had a solid 39-14 win and are looking a very strong chance for the finals. The $10 Ariah Park Bowling club award went to Chloe Minchin, Players Player to Shelby Worland, the canteen to Olivia and the towel to Keisha McLean.

The Under 15s were too strong for Coleambally winning 46-28. Gemma Fisher won the $10 Ariah Park Bowling Club award and Jess Durham won the canteen award.

With all three teams finishing in 1st or 2nd position, all teams are through to the 1st semi final to be held on Sunday at Coleambally, Starting times are

Under 11s - 10.30
Under 13s - 11.30
Under 15s - 12.30

Please be there at least 30 minutes before your game

Training will be at Ariah Park this week. Each team can organise their own time to suit, The Under 15s will be at 5.30pm on Thursday.

**Round 14 Report Jets Football**

Our last home and away game was played this Saturday at the Ardlethan recreation ground against Coleambally, the seniors were also playing as well. A great way to complete the junior rounds with the whole club at one venue. I would like to take this opportunity to again thank all our sponsors who make it possible for over 100 children to participate each week in these great sports. Thank you to the Ariah Park Bowling Club, Beckom Hotel, Mirrool Hotel, Ardlethan Service Centre, BP Beckom, Ardlethan Bowling Club, Jason Bryce Spreading, Ardlethan Pharmacy, Ariah Park Hardware, Landmark Ardlethan, Jenny and Mark Fisher and the Ariah Park Supermarket. The club executives would also like to thank all our volunteers who have undertaken roles and jobs this year so that we could field 7 games each weekend, without you our club would not exist. Thanks.

**Under 11’s**

What a great finish to the year boys with a big win. The boys played a blinder from the first bounce. Rafferty Edis played his best game for the year to win the Ardlethan Pharmacy socks award. The Landmark water bottle/Mirrool Hotel canteen award went to the littlest bloke on the field, Max Collis who had a blinder. The Landmark $10 award went to Tommy Denyer who played a great game all over the field. The whole team played well, the on-ballers Nate Doyle, Blair Mclean, Harry Collis and Josh Bell all played exceptional. Riley Walker rucked well and kicked four goals. Harrison and Riley Judd played well with Harrison booting two goals. Charlie McCormack played a great game at full forward kicking a mammoth six goals. Single goals went to Nate Doyle, Jack Hawthorne and Brady Edis. Great game boys.

Final Score  Jets  15 - 12 - 102  def  Coleambally  0 - 1 - 1

**Under 13’s**

A big congratulations on a great win for the last game of the season. Thanks to the U15’s and U11’s for helping us with the win today. All of our boys played extremely well today and Neil and myself (Geoff Fairman) were very proud of our boys. Juddy would have had a smile on his face when the song was sung at the end of the game. Coaches awards went to
Ben Grinter who never gave up all game. Nic Fairman won the Ariah Park Hardware award after rucking and running all game. The Landmark water bottle/Ariah Park Supermarket award went to Sam Clemson and the socks to Jim Griffin, both boys having another great game. Two other players that gave their all were Joe Ryall and Harry Morris. Goal kickers this week were singles to Sam Clemson, Hamish Gaynor and Nic Fairman. Riley Walker and Ben Cattle scored doubles and Jed Litchfield booted three majors.

Finals are set to start next week, our U15’s football team and all three of our netball grades will be taking part. The boys will play on Henry Mathieson oval at Narrandera on Saturday and the girls all play on Sunday at Coleambally. Training will be at Ariah Park this week, same time as always. Any U13’s footballers are quite welcome to come along and train with the 15’s boys. Come along and support our boys and girls at training or the games. Good luck to everyone involved.
