I would like to congratulate Victoria Jenkins on her permanent appointment to Ariah Park Central School as Assistant Principal. Victoria brings a wealth of knowledge to the position and we are lucky to attract a person who has the experience as Principal at her former school, Barmedman Public. Welcome Victoria.

Book Week is upon us and we have a number of items running this Friday beginning with the primary and secondary Spelling Bee in the morning. The Character Book Parade is always great entertainment and the students love to dress up. We also have the amazing literacy and numeracy race and conclude the day with the Book Fair in the library. This will be a great day for all.

Mrs Drumore and her cast of actors are starting to rev up ‘The Right Prince’ musical for their premiere in week 10. Their practice sessions are going well and the students seem very excited. Well done guys and I look forward to seeing the main event.

This week we have begun the 9.00am start time for primary commencing with an assembly at 8.55am Monday to Thursday. Friday start remains as normal to allow for normal sport until 3.20pm. If you have any feedback or require more information please feel free to contact me.

Monday, 25/8/14 – R Wood, G Prentice

CANTEEN NEWS
Book Week Open Day - This Friday, the Canteen will operate as normal. If any parents would like to put an order in for lunch they are welcome to do so. Please fill in a separate bag for each order and have it handed in by 9am.
Recess this Friday – for morning tea this Friday we are asking for children to bring along something to share (cakes, slices etc.). Also, Miss Ostle will be selling coffee under the COLA.
Orders – please make sure when ordering for your child that you use a LARGE bag. You can purchase bags from the canteen which are sold in bundles of 30 for $3.00. The ladies who volunteer to run the canteen do not have time to write orders onto bags, especially now that the number of orders has increased. Also, please ensure that you clearly specify if the order is for Recess or Lunch.
Starting Time - with the whole school now starting a 9.00am it would be appreciated if anyone working on the canteen could arrive at 8.50am. To ensure all orders have been handed in, canteen workers will now go to the assembly to remind the children to hand in their orders if they have forgotten.

Reminder – flavoured milk has gone up to $1.85
Thanks
Wendy

Book Character Parade
All students, parents and teachers are invited to dress up as their favourite book character or as something to do with the themes. For example, a bee, a flower, Wally (Where’s Wally), Dorothy from the Wizard of Oz.
Please note that the costume does not need to be too elaborate. We would encourage parents to use dress-up clothes from home for the event. Children are also encouraged to bring
their book along to school with them if possible.

ThinkUKnow
ThinkUKnow is an internet safety initiative which aims to raise awareness of the issues which young people face online and whilst using mobile phones. It is a partnership between the Australian Federal Police (AFP) and Microsoft Australia, and is now proudly supported by ninemsn and Datacom.
Ariah Park Central School will be hosting a ThinkUKnow presentation on Tuesday 9th September at 2.30pm and all parents, carers and teachers are encouraged to attend. This presentation will cover topics such as how young people are using technology to have fun, online grooming, cyber-bullying, inappropriate content and e-security.
This is a fantastic opportunity for you to learn more about how young people have fun online, how you can help them to stay in control on the net, and how to report a problem.
For more information, you can visit the ThinkUKnow Australia website at www.thinkuknow.org.au
We look forward to seeing you all at the Video Conference presentation.

Thank you to those students for representing our school.

Ziptales
I am currently taking part in Professional Learning with the program "Focus on Reading" Phase 2. Part of the first part of this course required me to survey students about how they read and their interest in reading. From the information gathered, I now have to develop an action research plan on increasing the volume of reading for each student at school and home. One of my proposed strategies is Ziptales. Please read the following information on Ziptales and give it a go at home. It can be accessed on a computer, ipad, ipod or android tablet or phone.
The school has a site licence for the website http://www.ziptales.com or just google ziptales.
To log on use the following details.

Learn to love reading
Ziptales is an online literacy “library” designed for school and home use. It was the very first online resource of its kind in Australia.
It is based on the latest research about how children develop and sustain a love of reading. The Ziptales “library” was built by trained teachers with the express purpose of making reading a pleasurable and lifelong experience.
The Research
At the core of the Ziptales mission is the recognition that children will do best when they read for “for pleasure, to be informed and to perform a task” (Beverly Tyner, The Literacy Jigsaw Puzzle, IRA 2012).
For example, a child who reads a scary story, or a mystery ‘whodunnit’, will instinctively engage with the reading. Reading the story (for pleasure) will raise their skill level without them even being aware of the process.
The voiceover
Every text has a voiceover – read by a professional actor. This is a great way not only of modelling good reading, but of sustaining interest in the text.
Testing and feedback
Each story ends with a fill the gaps test (a relatively easy quiz) and a multiple choice (more challenging).
If the child does not score more than 5/10, they are prompted to “Have another go”. They can reread the text, and get 10/10 – in short, they can find their own way to “master” the text. This is after all how reading normally works. Even adults reread selectively to extract the most out of the experience.
