The secondary excursion to Berry Sport and Recreation Centre returned safely last week and by all accounts the students and staff had a fantastic time. Plenty of good photos have been posted on our school Facebook site of all the action. Thank you to Miss Farrell for coordinating the trip and a thank you also Miss Rees and Mr Stevens for their support.

Stage 4 and 5 are off to visit the Pine Park Piggery tomorrow as part of the Agriculture program. It is a great opportunity to appreciate the diversity of agriculture in our area and we thank Peter and Agnes Cartwright for giving us the opportunity to visit their business.

Mrs Drumore, Mr Stevens and I will be attending the Rural and Remote HSC Forum this week in pursuit of providing greater opportunities for our HSC students and those across rural NSW. We are looking forward to this event and sharing of innovative curriculum.

Our new Trade Skills Centre for Hospitality is taking shape now with the foundations and framework well in place. The opening date is still on schedule for February 2016.

Bye for now.

Uniform Notice
Please find included, in this newsletter, an updated uniform order form - please note there have been small price increases for some items.
I will be placing an order in the next couple of weeks if anyone needs any new school uniforms ready for summer.
Also, if you need hats please place your order before 30th October.
We also have some school bags which are ergo dynamic, light weight and have
a manufacturer’s life time warranty on display at the front office. They can be purchased in black and can have the school logo embroidery added at an extra cost. There are 3 different types and the most popular design is what we will go with. **If you are interested in a school bag please contact me before 30th October.**

Please fill in your order forms and accompany them with cash or a cheque, made payable to Ariah Park P&C Association, in an envelope, addressed to the ‘Uniform Co-ordinator’ and then your order will be processed. Payment instalments may be available on request.

Lastly I would like to say a big thank you to Carol Heward who will be the new uniform co-ordinator for next year. Many thanks for your patience over the last few years.

**Permission Letter for Agricultural excursion**
Students in Stage 4 and Stage 5 Agriculture need to return their permission letters for the excursion to the Cartwright Piggery which is taking place tomorrow: Tuesday 20th October 2015. Please bring a folder to lean on, writing materials, a water bottle, morning tea and lunch.

**Vegetables for Sale**
Last week, students in Stage 4 and Stage 5 Agriculture harvested some of the snow peas that had been growing in the Agricultural plots. Students sold them to staff and members of the local community. Students were able to raise over $50.00. All of the money raised will go towards purchasing more seedlings.

**Chicks for Sale**
Over the past few weeks, Agricultural students have been involved in incubating chickens. Chickens are
available to purchase. Please put your name down at the Front Office if you are interested in buying some. We are still waiting to find out the sex of the chickens. Two week old chicks will cost $5 each. In a few weeks, we will have 10 week old chickens which will be available to purchase for $10 each.

Secondary Excursion
Last week 20 secondary students travelled down to Berry Sport and Recreation Centre for their excursion. The week was packed with fun, adventurous activities that helped build team work, trust, and resilience between the students. Some highlights were kayaking, the slippery but inspiring hike up Moyean Hill in the drizzle and fog, completing the "Zoom In" silent picture exercise in 2:26min (beating a 6 year record), raft building, spotlighting, and team biscuit races. The students were very impressive and some conquered some big fears and challenged themselves to go outside their comfort zones with a lot of the activities. It was a fantastic week and the staff at Berry thanked the students for being so well behaved and encouraging of one another.
Thank you to all the students who attended and for their respect, responsibility, and resilience on the excursion.
Miss Farrell
