Principal’s Report

Last week, Grant Kelly represented the school at State for Lawn Bowls. Apparently the team played much better than last year. We commend Grant on his achievement in getting to this level. Five students also accompanied Mrs Drumore to Temora to participate in the annual TSC Youth Advisory Forum. They were commended on their appearance and contribution to ideas at the Forum.

This week we say farewell to Ms Selina Dundas, who has been with us for some time, doing a marvellous job on Kindergarten. We wish her well with the birth of her new baby. We also have two students completing Hospitality Work Placement at Temora Ex-Services Club, the HSC Trial exams begin, seven students will compete in the Under 15s Basketball in Leeton, and some of our student leaders will accompany Ms Pollard to Coolamon CS for an SRC leadership day this Friday. There will also be a Whole School Assembly before lunch on Friday, where we all look forward to a performance by Year 1/2. Work has begun on our million-dollar Hospitality Trade Training Centre, which will be a boost for not only our school but for the RAP cluster. Everyone is welcome to come along to our monthly P&C Meeting tomorrow evening at 7.30pm in the school Library.

**Agriculture Excursion**
On Thursday 6th August 2015, Stage 4 and Stage 5 students went on an agricultural excursion to one of the Tidd's farms. On the excursion, students were able to learn about the common crops grown in the area and the weeds that are affecting them. As part of their assignment, students were given the task of identifying weeds and drawing field sketches. In class, students have been involved in class discussions as to what herbicide is best to treat each weed. Overall, students had an enjoyable morning and were able to gain an insight into the decisions farmers make on a daily basis.
Ms Williams
Annes School and Temora High School. Topics covered opportunities in Temora and District, the role of the Temora and Ariah Park Youth Councils, including an upcoming Trivia Night, young driver awareness, and their thoughts on expansion of business and facilities in the district.

Present were Mayor Rick Firman, Youth Officer Mr Ross Devereux, and Crs Graham Sinclair and Ken Smith. Afterwards, students had a light lunch, where they could mingle with the Councillors and students from the other schools.

This is always a great leadership opportunity and we commend our young leaders for their presentation and participation.

**Choral Camp**

On Sunday 19\textsuperscript{th} July, three students had the opportunity to attend the Riverina Schools Choral Camp, held at Borambola Sport and Recreation Centre. The camp went for a week and featured a variety of choral style workshops, including singing, concert band, advanced band and instrumental tutorials. This was a fantastic opportunity for our small school students to take their music to the next level.

Ms Dundas

**Reports from the students:**

On the 19\textsuperscript{th} July we went to choral camp for six days. Choral camp is a camp for singers or people who want to start singing more. We met a load of awesome people and made a lot of good friends not to mention we had the most fantastic time (and the awesomest, funniest, nicest conductor ever!). We had the wonderful opportunity to be in the Riverina Choir and learn a lot about singing and even got to do a tour to three schools. We came home on the 24\textsuperscript{th} July.

The food was good, the people were great and we had the best time.

Louise and Raff

On Sunday 19\textsuperscript{th} July, Louise O’Hare, Raff Edis and I went to Choral Camp at Borambola Sport and Rec Centre for six days. When I arrived I met the camp staff, they were all really nice. After everyone had got there and settled into their rooms we introduced ourselves, there were students from Year 5 to Year 12. On Monday we started our student workshops. We had about 3-4 periods of student workshops each day from Monday to Wednesday. The conductor was the funniest, coolest, nicest conductor! We also did one sport and rec activity each day. I chose rock climbing, archery and rock climbing again. On Thursday we went to two Junee schools and Nangus school to perform the songs we had learnt. It was a great experience and opportunity. I enjoyed meeting lots of new friends. I had fun on Friday performing in a concert in front of my family and friends.

Northern Jets Junior Netball Results - Elimination Finals

Under 11’s
Under 11’s played a very confident GGGM on Saturday in the elimination finals at Griffith. Only one goal was scored in the first quarter proving just how tough this game was going to be. Isabel Gaynor captained the team from the centre with great spirit and stamina, never game up. Bella Fairman had a fantastic game in WA, supporting the goal shooters Paige Brown and Louise O’Hare who played well against a strong defence. Emma Morris played a confident game in WD and supported an unwell Brooke Denyer in GK. Annabelle Cassidy leas the defence in GS and managed to stay strong as pressure mounted in the GGGM goal circle. Some of the team were recovering from illness during the week, but were still on deck to play. After a slow start the jets were able to race away with a very handy lead at the third quarter.
